What's In A Number? Leadership. 100%.

The primary role of the Foundation is to raise funds for the hospital. We know it takes an entire community to make the Hospital great, and we believe that commitment starts right here at SVH. That's why **100% of the District Board, the Foundation Board & Staff, and the SVH leadership team (all 34 of them)** have made gifts and pledges to the Foundation this year! What an outstanding way to kick off a year in which funding from the Foundation will be critical for Sonoma

Cancer Support Sonoma Changing Lives

Dear Pam and Morgan,

I just wanted you both to know how much I appreciate the services you have provided for my healing from all of the drugs and procedures I've had the past seventeen months. Your entire staff has warmed my heart with their nurturing gifts of healing therapies. There is an emotional component that has been enriched as well. Feeling loved and cared for, when fate has dealt such a challenging hand, is one of the most precious gifts a cancer survivor can receive.

I am grateful that Cancer Support Sonoma & the Patient Assistance Fund arrived in time for me. Thank you for welcoming me and informing me of all that is offered by this wonderful organization. Know, too, that Pharmaca made my day today when I put on the warm purple polka dot socks and opened the little bag of potions for my skin. It's been a lovely Christmas. Thank you for your many gifts of these past few months.

All the Best, Lonnie
