

SONOMA VALLEY HOSPITAL FOUNDATION

Inspiring Support for Sonoma Valley Hospital

News From Sonoma Valley Hospital Foundation

March 2017

Dear Gina,

Steve Sangiacomo Joins SVHF Board

Steve Sangiacomo recently joined the board of directors for the Sonoma Valley Hospital Foundation. "Steve brings a wealth of experience to the Hospital Foundation," said Dave Pier, Executive Director. "He is a terrific addition to our dedicated volunteer board and will help us further our mission."

Steve is a third-generation partner at Sangiacomo Family Vineyards, located in Sonoma, California, where his family has farmed since 1927. He grew up on the family ranch and began learning the ropes from his father and extended family at a young age. He oversees all agricultural, strategic and operational aspects of the business, with his brother, Mike. Together they manage over 1600 acres of Sonoma County vineyards, as well as grape sales to more than 70 premium wineries.

Steve is a board member and former chair of the Sonoma County Winegrape Commission and of the Carneros Wine Alliance. Steve serves on the Sonoma Valley Vintner's and Growers Alliance board and on the Development Committee of the Sonoma Valley Education Foundation. He graduated from St. Mary's College where he studied business and economics. Steve lives in Sonoma with his wife and sons, Connie, Drew and Sam.

New Surgery Equipment Arrives

Once again, the generous community of Sonoma Valley rises to the occasion and supports Sonoma Valley Hospital. Most recently it was for the Stryker A/V Integration system which creates improved overhead visual capability for the surgeon, as well as the Stryker iSuite, which contains a full range of operating room technologies and medical equipment systems that integrate multiple systems through one point of contact.

This fundraising effort was led by the Brinton family with a generous matching gift, inspiring many others to participate, and culminated in nearly \$400,000 being raised to help with this important technological upgrade in the Surgery Center. Thanks to all of your support, SVH continues to be able to offer cutting edge (pun intended) equipment and facilities for Sonoma Valley.

12th Annual Celebration of Women event on May 11th

The event is co-chaired by Kimberly Blattner, Ligia Booker, and Harriett Derwingson and promises to be a wonderful celebration. Donna Halow and Judy Vadasz will be honored as Pulse Award recipients at the Foundation's **12th annual Celebration of Women**

luncheon on Thursday, May 11th, beginning at 11:30 a.m. at Hanna Boys Center. Proceeds from the event benefit women's health and wellness programs at Sonoma Valley Hospital, including Project Pink which funds mammograms for uninsured women each May and October.

"Our two honorees this year exemplify the strong community spirit that makes the Sonoma Valley such a special place," said Dave Pier, Executive Director of the Hospital Foundation. "Both Donna and Judy are being honored to recognize their long-term volunteer commitments and the tremendous impact they have had on the hospital and the community through their efforts. We are delighted to be able to recognize them for their many achievements."

The event will sell out, so please make your reservation now. Sponsorship and [Ticket reservation information here](#), or reach Julia Cervone at 707.935.5331 jcervone@svh.com
