Greetings!

Continuing the Conversation With The Community

Sonoma Valley Health Care District Board Chair, Jane Hirsch, recently provided a [comprehensive response](#) to many of the questions raised during the parcel tax campaign. It's a lot of information and some of the issues are complex, but it is worth a read as it offers insight into the careful stewardship of the Hospital's resources by the Board and Administrative team.

Celebration Success!

The Celebration of Women event was a wonderful success! A crowd of 300 gathered to honor Donna Halow and Judy Vadasz for all they have done for the community; a fitting reception for two women who have helped positively impact the lives of so many. As a result of the generous support of the attendees, a new TruClear Hysteroscope (surgical equipment) was able to be purchased for the Hospital. Additionally, funds

were raised to continue to support the Women's Health and Wellness services provided by SVH including the Birthplace and Project Pink.

A Huge Thank You to Our Recent Supporters!
