

## **Cate Humphreys**

**Term expires on December 31, 2021**

I attended Texas Tech University and North Texas State University (I moved to be near my future husband) where I majored in Secondary Education.

When I lived in Houston, I was active in my church where I organized a large event each summer. I also chaired one of my children's school auctions. I was active in a local organization called Zoo Friends where I was in charge of various pieces of our annual fundraiser. I was chosen to be chair but we moved to London where I enjoyed the local culture; educating myself on art, photography and the culinary arts.

When we moved to San Francisco, I continued with my hobbies. Now I am living in Sonoma full time and have begun to return to civic life. I am currently the President of my neighborhood association and serve on the Board of the Valley of the Moon Music Festival. I also serve on an advisory committee for the Sonoma Land Trust. Sam and I have also hosted large gatherings in our home for the Land Trust, as well as, the Valley of the Moon Music Festival.
