Capital Campaign Progressing Well

Architect Rendering of New CT Scan Suite

The campaign to raise funds for the new [Outpatient Diagnostic Center](#) at SVH continues on a path toward success because of our generous community.

To date, over \$15 million in funds have been raised to upgrade key imaging equipment (CT Scanner, MRI, and X-Ray) and centrally locate it in the old surgery room area of the hospital. Our goal is to raise at least \$20 million for this project.

Because of the hospital's affiliation with UCSF Health, they will promote the ODC to their patients as the place for diagnostic work, and once completed, it is projected to generate at least \$1.5 million in additional operating revenue for SVH.

[See SVH CEO Kelly Mather's letter to community here.](#)

Every Gift Makes A Difference

A successful capital campaign requires generous leadership gifts to make the dream possible, and **we'd like to thank our donors who have led the way so far!** A huge thanks goes to:

- **\$3,000,000+**
 - The McQuown Family
 - Kalmanovitz Charitable Foundation (a **\$3M challenge match gift**)

New Board Members Join The Foundation

We are pleased to announce that three new board members have joined the SVHF Board of Directors.

Alexis Alexandridis, MD, Richard Conley, and Cate Humphreys have committed to volunteer to help the Foundation achieve its mission of cultivating support and raising funds for Sonoma Valley Hospital. [See their bios.](#)

Welcome to the team and thank you for your dedication to the good health of Sonoma Valley!
