

Lindsay Bennett, PMP®, CSM

Lindsay Bennett is a Senior Manager, Program and Project Management at Blue Shield of California and a 13-year resident of Sonoma, CA. She is a results-driven management professional with years of experience building project management offices, enterprise-wide portfolio management offices, defining project standards and processes, and quality management in the financial services industry. A successful track record of analyzing and evaluating processes to identify improvement opportunities, building and motivating cross-functional project teams, and managing all aspects of project/program execution for large strategic initiatives. She grew up in Canton, OH and is a graduate of The University of Akron

with a bachelor's degree in international business. Lindsay grew up in a family surrounded by medical professionals. Her mother has been a surgical nurse for 45 years and her father worked in hospital procurement. This exposure has led to her passion for providing sustainably affordable high-quality healthcare for all. She lives in Sonoma with her husband, Randy Bennett, and two children, Randy Jr. and Isla. Since 2007, they also operate a small family-owned business called Townley wines. Lindsay dedicates much of her free time to her local community previously serving as President of the Prestwood Elementary PTO and currently co-leading her daughter's Girl Scout troop.
